To Whom It May Concern:

Aleix Melloni is a student enrolled in good standing at Columbia College Hollywood. As the Career Development Coordinator, I can attest that he and his team are well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

Aleix and his student production team are preparing a project for the Fall 2018 quarter. The College does cover $2 million in damage and liability, save a $1,000 deductible, which is the responsibility of the individual students, should the need arise. Per the guidelines of our College, this project is not being made for commercial profit of any kind, and as is the case with many student films, the project is being shot on a no-frills budget. Therefore, we hope you can give Aleix and his team any aid possible.

If you need further verification, please do not hesitate to contact me directly a cmisterly@columbiacollege.edu

Sincerely,

Carin Misterly
Career Development Coordinator
